Now the time has come
The music's between us
Though the night seems young
Is at an end
Only change will bring
You out of the darkness
In this moment everything is born again
Reach up for the sunrise
Put your hands into the big sky
You can touch the sunrise
Feel the new day enter your life
Reach up for the sunrise
Put your hands into the big sky
You can touch the sunrise
Feel the new day enter your life
Now the fireball burns
We go round together
As the planet turns into the light
Something more than dreams to
Watch out for each other
Coz we know what it means to be alive
Reach up for the sunrise
Put your hands into the big sky
You can touch the sunrise
Feel the new day enter your life
Reach up for the sunrise
Put your hands into the big sky
You can touch the sunrise
Feel the new day enter your life
Feel the new day enter your life
Feel the new day
Reach up for the sunrise
Put your hands into the big sky
You can touch the sunrise
Feel the new day enter your life
Reach up for the sunrise
Put your hands into the big sky
You can touch the sunrise
Feel the new day enter your life
Reach up for the sunrise
Put your hands into the big sky
You can touch the sunrise
Feel the new day enter your life
Reach up for the sunrise
Put your hands into the big sky

You can touch the sunrise
Feel the new day enter your life
