Oohh, do-do do-do-do  
Da da da da da

Things that you used to say now take on different  
meanings you realise  
Can't be to careful about the lines.  
Come on you know you're not so young you cannot hide  
behind disguise  
Listen to your own desire.

Eyes like an angel - so wise, don't lie  
You never felt like this before.  
Fly like an angel - so high this time,  
You send your senses streaming free.

-

Places you used to go when you were young look  
different in the dark,  
Don't you worry it's o.k.  
And maybe I can help you find your way tonight I think  
you will agree  
Summer reason's run away.

Eyes like an angel - so wise, don't lie  
You never felt like this before  
Fly like an angel - so high this time  
You've got your senses streaming free

-

Oh I hear your heart beating even faster now than mine  
Now you know just what I mean.  
So take your place among those twilight gleaming  
rivers that you read  
Give me reasons to believe

Eyes like an angel - so wise don't lie  
You never feel like this again  
Fly like an angel - so high this time  
You send my senses streaming free

Like an angel... da da da-da  
Like an angel... da da daa
