I've been now sauntering  
Out and down the path sometime  
Come on, it takes me nowhere, which I know  
Faces everywhere pulling grins and signs in things  
Telling me not there, man, it's no go (Don't go there  
boy)  
I need a reason  
I can't think without one now  
Too much learning got to show  
Call it treason  
Maybe catch her, don't know how  
Too many things, too much to know

I'll bring my timing in, seagulls gather on the wind  
Lady screaming, lady leave me out  
'Cause sometimes people stare  
Sitting down in electric chairs  
Steaming crowds they gather and they shout

Don't know why this evil bothers me (Take another  
chance boy, carry the fight, you can take him if you're  
fast)  
So why is he trying to follow me? (Didn't I say if you're  
holding on, you'd be laughing at the last?)  
How many reasons do they need? (I get along fine with  
them friends of mine but you have to make a choice)  
I might just believe this time (You're singing out of tune  
but the beat's in time and it's us who makes the noise)

I'm talking for free, I can't stop myself, it's a new  
religion  
I've something to see, I can't help myself, it's a new  
religion

Ok, my reasoning might be clouded by the sun  
But someone sees the departmental lie  
You know this peacetime jabbing fist in stabbing knife  
Only get one look before you die

Don't know why this evil bothers me (Take another  
chance boy, carry the fight, you can take him if you're

fast)

So why is he trying to follow me? (Didn't I say if you're holding on, you'd be laughing at the last?)

How many reasons do they need? (I get along fine with them friends of mine but you have to make a choice)

I might just believe this time (You're singing out of tune but the beat's in time and it's us who makes the noise)

I'm talking for free, I can't stop myself, it's a new religion

I've something to see, I can't help myself, it's a new religion

Gotta take pay from the saints 'n sinners

In regulation hats 'n scarves 'n things

Walking in formation down the lane,

They carry their cross, make a church bell ring (Bring it out now)

Army majors pull a mean cool truth

There lying in a swimming pool

Searching for the undeniable truth that

A man is just a fool

Don't know why this evil bothers me (Take another chance boy, carry the fight, you can take him if you're fast)

So why is he trying to follow me? (Didn't I say if you're holding on, you'd be laughing at the last?)

How many reasons do they need? (I get along fine with them friends of mine but you have to make a choice)

I might just believe this time (You're singing out of tune but the beat's in time and it's us who makes the noise)

I'm talking for free, I can't stop myself, it's a new religion

I've something to see, I can't help myself, it's a new religion

I'm talking for free, I can't stop myself, it's a new religion

I've something to see, I can't help myself, it's a new religion

I'm talking for free, I can't stop myself, it's a new religion
