I've been in this grass here for the last 10 hours My clothes are dirty but my mouth isn't dry How does it happen? Does it fly through the air? Oh I gave up asking days away I gave up asking Days away

And now I'm lying here waiting for the Sound of Thunder
Waiting for the Sound of Thunder
Here I am, I'm a dotted line
Cut the corner, stick me to your door
I'm the man who stepped off the path
And I just lie here
It's what I was made for

And now my eyes are closing, but I still feel the land Leaning out for the touch of my hand The world spins so fast that I might fly off The world spins so fast that I might fly off The world spins so fast, I might fly off

Waiting for the Sound of Thunder I'm waiting for the Sound of Thunder Fade out
