Lalalala lalalala lalalala-la  
Now the time has come,  
The music between us  
Though the night seems young-  
Is at an end  
Only change will bring  
You out of the darkness  
In this moment everything is born again

Reach up for the sunrise  
Put your hands into the big sky  
You can touch the sunrise  
Feel the new day enter your life

Reach up for the sunrise  
Put your hands into the big sky  
You can touch the sunrise  
Feel the new day enter your life

Now the fireball burns,  
We go round together  
As the planet turns into the light  
Something more than dreams to  
Watch out for each other?  
Coz we know what it means to be alive

Reach up for the sunrise  
Put your hands into the big sky  
You can touch the sunrise  
Feel the new day enter your life

Reach up for the sunrise  
Put your hands into the big sky  
You can touch the sunrise  
Feel the new day enter your life

Feel the new day,  
Enter your life,  
Feel the new day,

Reach up for the sunrise

Put your hands into the big sky  
You can touch the sunrise  
Feel the new day enter your life

Reach up for the sunrise  
Put your hands into the big sky  
You can touch the sunrise  
Feel the new day enter your life

Reach up for the sunrise  
Put your hands into the big sky  
You can touch the sunrise  
Feel the new day enter your life
