(lebon, rhodes, taylor, cuccurllo, campbell)

Guess you know, where I wanna go
Got to see the water flow, try to understand
Got me trapped, playing with me like a cat
Scrape your fingers down my back, pin me to the
ground

All along the water baby
Take me to your water baby
All along your water babe

(chorus)

I'll get by, can't you see I'm burning up
When you come and turn it up, higher every time
If I stay , oh the end is near
Come and get me out of here, come and get me now

(chorus)

(chorus)

(ohh, ohh, ohh, ohhh!)

Tell me is there any left?
I wanna drink it up
I'll drink it up.
Baby, if there's any left
I'll drink it up, drink it up, drink it up!

(chorus)

(chorus)

Thirsty for your water baby,
Spanning from your torture babe,
Take me to your water baby.

(chorus)

(got me trapped)
Thirsty for your water baby,
Sliding on your torso baby,
Take me to your water baby.

(chorus)

Thirsty for your water baby,
Spanning from your torture babe,
Take me to your water babe.
