Please tell me why  
Tell me why

Why don't you believe me  
It's you, I adore  
(Please believe, please believe)  
(Please believe)

Forever and ever  
Can I promise more

I've told you so often  
The way that I care  
(Please believe, please believe)  
(Please believe)

Why don't you believe me  
It just isn't fair

Here is a heart that is lonely  
Here is a heart you can take  
Here is a heart for you only  
That you can keep or break

How else can I tell you  
What more can I do  
(Please believe, please believe)  
(Please believe)

Why don't you believe me  
I love only you

Why don't you believe me  
I love only you  
(Please tell me why)  
Tell me why
