Meeting you with a view to a kill
Face to faces, secret places, feel the chill

Night fall covers me
But you know the plans I'm making
Still overseas,
Could it be the whole lot opening wide
A sacred why
A mystery gaping inside
A week is why

Until we dance into the fire
That fatal kiss is all we need
Dance into the fire
To fatal sounds of broken dreams
Dance into the fire
That fatal kiss is all we need
Dance into the fire

The choice for you is the view to a kill
Between the shades assassination standing still

First crystal tears,
Fallen of snowflakes on your body
First time in years
To drench you skin of lover's rosy stain
A chance to find the phoenix for the flame
A chance to die

But can we dance into the fire
That fatal kiss is all we need
Dance into the fire
To fatal sounds of broken dreams
Dance into the fire
That fatal kiss is all we need
Dance into the fire

When all we see is the view to a kill
