I was hallucinating
I was hallucinating

I was hallucinating Elvis
Hawaii to Las Vegas
Special treatment all the way

Hallucinating Elvis
Missing eighteen hours
Losing oxygen to the brain

Lying on the floor, there's a limit
How much more I can take
Rhinestone inside my shoe
'Cause I'm turning into you now

I was hallucinating
I was hallucinating
I was hallucinating Elvis

I was hallucinating
I was hallucinating
I was hallucinating Elvis

FBI are tapping the King's phone
'74, he's trapped in his home
Hidden cameras, two way mirror walls
Walkie-talkie, kung fu, then the President calls

I was hallucinating Elvis
Hawaii to Las Vegas
Special treatment all the way

Hallucinating Elvis
Missing eighteen hours
Losing oxygen to the brain

Whoever has to know
Tune in to my show
What you see ain't what you get
Shootin' movies and the TV set

Elvis, Elvis, Elvis, Elvis
Elvis, Elvis, Elvis, Elvis

I was hallucinating Elvis
Hawaii to Las Vegas
Special treatment all the way

Hallucinating Elvis
Missing eighteen hours
Losing oxygen to the brain

I was hallucinating Elvis
Hawaii to Las Vegas
Special treatment all the way

Hallucinating Elvis
Missing eighteen hours
Losing oxygen to the brain

I was hallucinating
I was hallucinating
I was hallucinating Elvis

I was hallucinating
I was hallucinating
I was hallucinating

Elvis, Elvis, Elvis, Elvis
Elvis, Elvis, Elvis, Elvis

See my brain
See my brain
See my brain
See my brain

See my brain
See my brain
See my brain
See my brain

See my brain
See my brain
See my brain
See my brain
