(Hey, this time)  
Shall we walk? Shall we run? Through my head you  
understand  
Does the body you conceal need the touch of  
someone's hand?  
Ashes, violations, who would they burn for?  
In your isolation, why can't you see?  
(Why can't you see?)  
I wonder if the lights out  
I wonder if they're listening

Hold me, lay your shame away  
Show me where your lovers stay  
Hold me lay your ghosts away  
Show me for yourself

You are lost and alone  
But a prisoner of your pride  
When the passions you ignore you can never hide  
One of these days you're going to find out  
'Cuz one of these days you're going to try  
And what did I say to make you wind up, with this spear  
of guilt inside  
What I wonder if the lights out  
What I wonder if they're listening

Hold me, lay your shame away  
Show me where your lovers stay  
Hold me lay your ghosts away  
Show me for yourself

(Na na, na-na-na, naa)  
(Na na, na-na-na, naa)  
(Na na, na-na-na, naa)  
(Na na, na-na-na, naa)  
Hold me  
(Na na, na-na-na, naa)  
Show me  
(Na na, na-na, na na, na-na)

Hold me, lay your shame away  
Show me where your lovers stay

Hold me lay your ghosts away  
Show me for yourself
