Midnight, I think I'm gonna make it  
Feel the magical lash of the roll and the crash in their  
lives  
Headline, in tomorrow's papers  
Kill that light it's so bright and you're shining it right in  
my eyes

Show me your secret and tell me your name  
Catch me with your fizzy smile  
Try to remember again and again  
What it is that I recognize  
Don't ask me now  
When I need you I don't know how  
To believe in your advice  
Just this once I take the dice

Midnight, so what's the point of faking  
For a kiss or a whisper you pull out a desperate prize  
Hold tight, onto daddy's bracelet  
Make them pay for their chances with money they don't  
think that's nice

Show me your secret and tell me your name  
Catch me with your fizzy smile  
Try to remember again and again  
What it is that I recognize  
Don't ask me now  
When I need you I don't know how  
To believe in your advice  
Just this once I take the dice

Show me your secret and tell me your name  
Catch me with your fizzy smile  
Try to remember again and again  
What it is that I recognize

Show me your secret and tell me your name  
Catch me with your fizzy smile  
Try to remember again and again  
What it is that I recognize

Show me your secret and tell me your name

Catch me with your fizzy smile  
Try to remember again and again  
What it is that I recognize
