[Verse 1:]

Baby I found your letter today
Oh it was so beautiful
Declaring your undying love
So poetically
But it wasn't written for me
So I guess I wasn't supposed to see
Although last night you were loving me
Wanting to spend your life with me
Why couldn't you just talk to me
And say, "J, you're not the one"
Instead a F-ing wid my head
And now I want you dead
No matter what the consequence

[Chorus:]

Said I'm bout to do life for you
Got this live or die love for you
And I swear if I can't have you
Then nobody will, nobody will
I'm prepared to do life for you
Put my ass on death row for you
Cos I swear if I can't have you then,
Nobody can, nobody can

[Verse 2:]

Baby what does she do that I don't?
Only one thing I can think of
She's whore and will go where I won't
Tell me why do I
Stand here with this ring on my finger
Is it nothing but you're just another confused
@!X\$ How could you lead me on?
And make me tell daddy you're the one
She can't love you like I do
But you don't love me like I love you so

[Chorus:]

Said I'm bout to do life for you
Got this live or die love for you
And I swear if I can't have you

Then nobody will, nobody will
I'm prepared to do life for you
Put my ass on death row for you
Cos I swear if I can't have you then,
Nobody can, nobody can

[Middle eight:]

This cannot be the ending, on you I'm depending
This eternal love's in my heart
We just can't be apart, I'm gonna hold on forever
And let you leave me never
You've ripped out my heart, I'm definitely dying
I'm taking you with me, and there no denying

[Chorus:]

Said I'm bout to do life for you
Got this live or die love for you
And I swear if I can't have you
Then nobody will, nobody will
I'm prepared to do life for you
Put my ass on death row for you
Cos I swear if I can't have you then,
Nobody can, nobody can

[Chorus till end]
