Oohh, do-do do-do-do
Da da da da da

Things that you used to say now take on different
meanings you realise
Can't be to careful about the lines.
Come on you know you're not so young you cannot hide
behind disguise
Listen to your own desire.

Eyes like an angel - so wise, don't lie
You never felt like this before.
Fly like an angel - so high this time,
You send your senses streaming free.

-

Places you used to go when you were young look
different in the dark,
Don't you worry it's o.k.
And maybe I can help you find your way tonight I think
you will agree
Summer reason's run away.

Eyes like an angel - so wise, don't lie
You never felt like this before

Fly like an angel - so high this time
You've got your senses streaming free

-

Oh I hear your heart beating even faster now than mine
Now you know just what I mean.
So take your place among those twilight gleaming
rivers that you read
Give me reasons to believe

Eyes like an angel - so wise don't lie
You never feel like this again
Fly like an angel - so high this time
You send my senses streaming free

Like an angel... da da da-da
Like an angel... da da daa
