Read My Lips

(ROCK IT!)

I've got something
you've got nothing to lose
I can give you
so much more than you're used to

move a little closer
maybe we can slip away
right now we could use a little privacy
all too much attention from your friends
in here
move a little closer
trust me out on the lake
yes and I--
if I can pull you over
tell me what you'd say

get a grip
don't resist
read my lips
it's a trip
ain't a risk
read my lips
get a grip
don't resist
read my--

(lips)

part of you wanna get lucky
part of you wanna go try
part of you wanna go looking
part of you want to stay.....

(ROCK IT)

(chorus)

she's all mine...
she's all mine...
she's all mine...
she's all mine...
she's all mine, all mine, all mine, all mine, all mine...
she's all mine, all mine, all mine, all mine, all mine
