When I first met you on the roof  
You caught me with your web of youth  
But now I know the wicked truth  
It's much too late, so what's the use in fighting?

You peel me like an onion skin  
And then wonder at the state I'm in  
One day you'll turn up to begin  
And find there's nothing left but innuendo

Beside you others fade away  
Like amateurs in love's charade  
Much more than just a game you play  
The certain rules become a way of living

Night after night I try to prove  
That I can resist you  
Tied up inside your love voodoo  
Designed to manipulate

The queen of sensuality  
You shelter me from liberty  
It's nothing short of piracy  
That's not to say it doesn't please me sometimes

Now this may come as no surprise  
But I'm content to compromise  
Until the day you realize  
That I have been manipulating you

Manipulating

Night after night I try to prove  
That I can resist you  
Tied up inside your love voodoo  
Designed to manipulate

Night after night  
I can resist you  
Tied up inside your love voodoo  
Designed to manipulate

Night after night I try to prove  
That I can resist you  
Tied up inside your love voodoo  
Designed to manipulate

Night after night I try to prove  
That I can resist you  
Tied up inside your love voodoo  
Designed to manipulate

Night after night I try to prove  
That I can resist you  
Tied up inside your love voodoo  
Designed to manipulate

Night after night I try to prove  
That I can resist you  
Tied up inside your love voodoo  
Designed to manipulate
