Shake up the picture the lizard mixture with your dance
on the eventide

You got me coming up with answers all of which I deny
I've said it again but could I please rephrase it

Maybe I can catch a ride I couldn't really put it much
plainer but I'll wait till you decide

Send me your warning siren as if I could ever hide

Last time la luna I light my torch and wave it for the new
moon on Monday

And a firedance through the night I stayed the cold day
with a lonely sattelite

New moon on Monday and a firedance through the
night

I stayed the cold day with a lonely sattelite

Breaking away with the beast of both worlds a smile
that you can't disguise

But every minute I keep finding clues that you leave
behind

Save me from these reminders as if I forget tonight

This time la luna I light my torch and wave it for the new
moon on Monday

And a firedance through the night I stayed the cold day
with a lonely sattelite

New moon on Monday and a firedance through the
night

I stayed the cold day with a lonely sattelite

I light my torch and wave it for the new moon on
Monday

And a firedance through the night

I stayed the cold day with a lonely sattelite

New moon on Monday and a firedance through the
night

I stayed the cold day with a lonely sattelite

New moon on Monday and a firedance through the
night (firedance through the night)

I stayed the cold day with (I light my torch and wave it
for the) a lonely sattelite

New moon on Monday and a firedance through the
night (firedance through the night)
I stayed the cold day with a (I light my torch and wave it
for the)
New moon on Monday and a firedance through the
night (firedance through the night)
I stayed the cold day with a (I light my torch and wave it
for the)lonely sattelite
