Standing...  
on the edge of the quay  
no lights flashing  
on the water for me  
fog in my mind  
darkens in my eyes  
silently screaming  
for a distant sound  
ripple river yellow--  
rising for a breath  
of breeding and drowns  
stillness overcome me  
in the night

listen...  
to the rising water moan

I'm waiting  
waiting, for the nightboat  
I'm waiting  
waiting, for the nightboat

Shadows all through me  
shudder away  
echo me, echo me...  
am I alone,  
or is the river alive?  
'cause it echoes me, echoes me--  
echoes me...

I'm waiting  
waiting, for the nightboat  
I'm waiting  
waiting, for the nightboat

I'm waiting...  
waiting for the nightboat..  
I'm waiting...  
waiting for the nightboat....

I'm waiting for the nightboat...
