No, no, notorious
No, no, notorious

I can't read about it, burns the skin from your eyes
I'll do fine without it, here's one you don't compromise
Lies come hard to disguise
Let me to fight it out, not wild about it
Lay your seedy judgments, who says they're part of our
lives?

You own the money, you control the witness
I hear you're lonely, don't monkey with my business
You pay the profits to justify the reasons
I heard your promise but I don't believe it
That's why I'll do it again

No, no, notorious

Girls will keep the secrets so long as boys make the
noise
Fools run rings to break up something they'll never
destroy
Grand notorious slam and who really gives a damn
For a flaky bandit?
Don't ask me to bleed about it, I need this blood to
survive

You own the money, you control the witness
I hear you're lonely, don't monkey with my business
You pay the profits to justify the reasons
I heard your promise but I don't believe it
That's why I'll do it again

Notorious

Notorious

You own the money, you control the witness
I hear you're lonely, don't monkey with my business
You pay the profits to justify the reasons
I heard your promise but I don't believe it

You own the money, you control the witness
I hear you're lonely, don't monkey with my business
You pay the profits to justify the reasons
I heard your promise but I don't believe it
That's why I'll do it again

No, no, no that's why I'll do it again
No, notorious, yeah, that's why I'll do it again
No, no, notorious, yeah! that's why I'll do it again
No, notorious, no, no, notorious
Yeah, that's why I'll do it again
No notorious, no no notorious
