Only came outside to watch the nightfall with the rain
I heard you making patterns rhyme
Like some new romantic looking for the TV sound
(Switch it on)
You'll see I'm right some other time, ohh

Look now, look all around
There's no sign of life
Voices, another sound
Can you hear me now?

This is planet Earth
You're looking at planet Earth
Bop bop bop bop bop bop bop
This is planet Earth

My head is stuck on something precious let me know
If you're coming down to land
Is there anybody out there trying to get through?
My eyes are so cloudy, I can't see you

Look now, look all around
There's no sign of life
Voices, another sound
Can you hear me now?

This is planet Earth
You're looking at planet Earth
Bop bop bop bop bop bop bop
This is planet Earth

Look now, look all around
There's no sign of life
Voices, another sound
Can you hear me now?

This is planet Earth
You're looking at planet Earth
Bop bop bop bop bop bop bop
This is planet Earth

Bop bop bop bop bop bop bop

Looking at Planet Earth
Bop bop bop bop bop bop bop
Looking at Planet Earth

Bop bop bop bop bop bop bop
Truly Planet Earth
Bop bop bop bop bop bop bop
This is Planet Earth
