The Reflex  
The Reflex  
The Reflex

You've gone too far this time  
And I'm dancing on the valantine  
I tell you somebody's fooling around  
With my chances on the danger line  
I'll cross that bridge when I find it  
Antoother day  
To make my stand  
High time is no time for deciding  
If I should find a helping hand

Why don't you use it ?  
Try not to bruise it ?  
Buy time don't loose it

Why don't you use it ?  
Try not to bruise it ?  
Buy time don't loose it

The reflex is a lonley child  
Who's waiting by the park  
The reflex is a door to finding  
Treasure in the dark  
And watching over lucky clover  
Isn't that bizare  
Everylittle thing the reflex does  
Must be answered with a question mark

I'm on a ride and I want to get off  
But they won't slow down the round-about  
I sold the radio and T.V. set  
Don't want to be around when this gets out

Why don't you use it ?

The reflex is a lonley child  
Who's waiting by the park  
The reflex is a door to finding

Treasure in the dark  
And watching over lucky clover  
Isn't that bizare  
Everylittle thing the reflex does  
Must be answered with a question mark

Why don't you use it ?  
Try not to bruise it ?  
Buy time don't loose it

The reflex is a lonley child  
Who's waiting by the park  
The reflex is a door to finding  
Treasure in the dark  
And watching over lucky clover  
Isn't that bizare  
Everylittle thing the reflex does Must be answered with  
a question mark
