People say you've been around  
How 'bout you and me get down?  
How 'bout you and me get down?  
Babe, I know you've been around

Unmake your bed  
Don't think about what lies ahead  
Don't you wanna be misled  
Don't you wanna be misled

Fame, seems a far off day  
When enough was never enough  
Vain, how I played my hand  
One more reckless man in the rough

Strange, how we explain the story  
That we've lived through  
Change, my karma train  
The person I can be for you is

Safe  
(Safe in the heat of the moment)  
A stillness that comes to me  
When I'm close to you

Safe  
(Safe at the speed of atonement)  
A feeling that runs so deep  
That it scares me too

Dazed by my own escape  
From the single state I was used to  
Face my catch twenty two  
Can I stay this way if I choose to?

Wrong, to be so contained  
Now I can't explain what is happening  
Strong, is the human chain  
As it pulls me through, what I bring to you is

Safe  
(Safe in the heat of the moment)

A stillness that comes to me  
When I'm close to you

Safe  
(Safe at the speed of atonement)  
A feeling that runs so deep  
That it scares me too

Safe  
(Safe in the heat of the moment)  
A stillness that comes to me  
When I'm close to you

Safe  
(Safe at the speed of atonement)  
A feeling that runs so deep  
That it scares me too

Fame, seems a far off day  
When enough was never enough  
Vain, how I played my hand  
One more reckless man in the rough

Hook a finger, wink an eye  
Caresses running up your thigh  
Scratch my surface, dig in deep  
There's always secrets left to keep

Safe not sound, who made these rules  
Crowd control for enlightened fools  
So come on boy, let's change the pace  
Come feel the chill of my embrace

People say you've been around  
How 'bout you and me get down?  
How 'bout you and me get down?  
Babe, I know you've been around

Unmake your bed  
Don't think about what lies ahead  
Don't you wanna be misled  
Don't you wanna be misled

Safe  
(Safe in the heat of the moment)  
A stillness that comes to me  
When I'm close to you

Safe  
(Safe at the speed of atonement)  
A feeling that runs so deep

That it scares me too

Safe

(Safe in the heat of the moment)

A stillness that comes to me

When I'm close to you

Safe

(Safe at the speed of atonement)

A feeling that runs so deep

That it scares me too
