People say you've been around
How 'bout you and me get down?
How 'bout you and me get down?
Babe, I know you've been around

Unmake your bed
Don't think about what lies ahead
Don't you wanna be misled
Don't you wanna be misled

Fame, seems a far off day
When enough was never enough
Vain, how I played my hand
One more reckless man in the rough

Strange, how we explain the story
That we've lived through
Change, my karma train
The person I can be for you is

Safe
(Safe in the heat of the moment)
A stillness that comes to me
When I'm close to you

Safe
(Safe at the speed of atonement)
A feeling that runs so deep
That it scares me too

Dazed by my own escape
From the single state I was used to
Face my catch twenty two
Can I stay this way if I choose to?

Wrong, to be so contained
Now I can't explain what is happening
Strong, is the human chain
As it pulls me through, what I bring to you is

Safe
(Safe in the heat of the moment)

A stillness that comes to me
When I'm close to you

Safe
(Safe at the speed of atonement)
A feeling that runs so deep
That it scares me too

Safe
(Safe in the heat of the moment)
A stillness that comes to me
When I'm close to you

Safe
(Safe at the speed of atonement)
A feeling that runs so deep
That it scares me too

Fame, seems a far off day
When enough was never enough
Vain, how I played my hand
One more reckless man in the rough

Hook a finger, wink an eye
Caresses running up your thigh
Scratch my surface, dig in deep
There's always secrets left to keep

Safe not sound, who made these rules
Crowd control for enlightened fools
So come on boy, let's change the pace
Come feel the chill of my embrace

People say you've been around
How 'bout you and me get down?
How 'bout you and me get down?
Babe, I know you've been around

Unmake your bed
Don't think about what lies ahead
Don't you wanna be misled
Don't you wanna be misled

Safe
(Safe in the heat of the moment)
A stillness that comes to me
When I'm close to you

Safe
(Safe at the speed of atonement)
A feeling that runs so deep

That it scares me too

Safe

(Safe in the heat of the moment)

A stillness that comes to me

When I'm close to you

Safe

(Safe at the speed of atonement)

A feeling that runs so deep

That it scares me too
