Wise on a birthday party  
in a world  
full of surprising fireworks  
and sudden silence

Lies on a stranger's bed  
the new day breaks  
like a speeding train  
on an old friend  
ever expected,  
but never knocking

Holding your own  
in a battered car  
All night parties  
cocktail bars  
and smile  
when the butterfly escapes  
the killing jar

Sure eyes awake  
before the dancing is over  
Wise or naked in  
Secret Oktober

Freefall  
on a windy morning shore  
nothing but a fading track  
of footsteps, to prove  
that you'd ever been there

Spoken  
on a cotton cloud  
like the sound of gunshot  
taken by the wind  
and lost in distant thunder

Racing  
on a shining plane  
Tomorrow won't be content  
to watch as the lightning

plays along the wires,  
and you'll wonder...

Sure eyes awake  
before the dancing is over  
Wise or naked in  
Secret Oktober

Sure eyes awake  
before the dancing is over  
Wise or naked in  
Secret Oktober
