We want to multiply, are you gonna do?
I know you qualify, are you gonna do?
Don't be so circumscribe, are you gonna do it?
Just get yourself untied, are you gonna do it?

Feel the heat, pushing you to decide
Feel the heat, burning you up, ready or not

Some like it hot and some sweat when the heat is on
Some feel the heat and decide that they can't go on
Some like it hot, but you can't tell how hot 'til you try
Some like it hot, so lets turn up the heat 'til we fry

The girl is at your side, are you gonna do?
She wants to be your bride, are you gonna do it?
She wants to multiply, are you gonna do it?
I know you won't be satisfied, until you do it

Feel the heat, pushing you to decide
Feel the heat, burning you up, ready or not

Some like it hot and some sweat when the heat is on
Some feel the heat and decide that they can't go on
Some like it hot, but you can't tell how hot 'til you try
Some like it hot, so lets turn up the heat 'til we fry

Feel the heat, pushing you to decide
Feel the heat, burning you up, ready or not

Some like it hot and some sweat when the heat is on
Some feel the heat and decide that they can't go on
Some like it hot, but you can't tell how hot 'til you try
Some like it hot, so lets turn up the heat 'til we fry

Some like it hot, some like it hot
Some like it hot, some like it hot
Some like it hot, some like it hot
Some like it hot, some like it hot
