(Taylor, Rhodes, LeBon)

I could feel the breeze, blowing change
Blowing through my doorway -
Warm and restless just as you walked by.
Inside of smokey halls, a circle drawn, and voices call
To raise some magic wind in my world
Strange coincidence each time you look my way
This sinking feeling scares me
Know my weakness call it deja-vu
Never put my trust in fate surprises do arrive so late
Why should I be suprised by you

Straight to the heart straight for this precious shining
How do you dare, step into my flame
One from the heart, one for this precious shining
How can you steal my flame
Sometimes cards are drawn, and the tables turn
The waiting game is over
Take this dealers hand and steal away the dawn
Don't ever give me any chance to wander back from
this innocence
Don't give me any chances at all

(chorus)

(chorus)

My Flame!
My Flame!
My Flame!
