At the end of the rainbow
Found each other there
Strange, we never thought
The colors would fade

Be easy to walk
But it's much harder to stay
Why, oh why
Are we reckless today?

You and I
Got to hold on together
'Cause in this life
Maybe the sun doesn't shine forever

Could say that I'm sorry
But there's no one to blame
Anger seems to dissolve into tears

Been so many good times
Not only despair
Somehow we'll find the love
We can share

You and I
Got to hold on together
'Cause in this life
Maybe the sun doesn't shine forever

You and I
Make this life for each other
'Cause I believe we've got enough or
When the sun doesn't shine

You and I
Got to hold on together
'Cause in this life
Maybe the sun doesn't shine forever
