Wild boys, Wild boys  
Wild boys, Wild boys  
(Wild? Boys?!)

The Wild boys are calling on their way back from the  
fire  
in August's moon surrender to a dust cloud on the rise

Wild boys fallen far from glory

Reckless and so hungered on the razor's edge you trail  
because there's murder (murder?) by the roadside in a  
sore afraid new world

They tried to break us, looks like they'll try again

Wild boys never lose it  
Wild boys never chose this way  
Wild boys never close your eyes  
Wild boys always? shine

You got sirens for a welcome there's blood stain for  
your pain  
and your telephone been ringing while you're dancing  
in the rain

Wild boys wonder where is glory

Where is all you angels now the figureheads have fell  
(fell, fell)  
and lovers war with arrows over secrets they could tell

They tried to tame you looks like they'll try again

Wild boys never lose it  
Wild boys never chose this way  
Wild boys never close your eyes  
Wild boys always shine

Wild boys, Wild boys, Wild boys

Wild boys (Wild boys)  
Wild boys (Wild boys)  
Wild boys (Wild boys)

Wild boys never lose it, Wild boys never chose this way  
Wild boys never close your eyes, Wild boys always?  
Wild boys never lose it, Wild boys never chose this way  
Wild boys never close your eyes, Wild boys always?  
Wild boys never lose it, Wild boys never chose this way  
Wild boys never close your eyes, Wild boys always?

Wild boys?
