Telephone call for Mr. Bones

Dear Mr. Bones, we've had enough  
You can try, to pull us down  
With your pinstripe weasel stuff  
But word travels in this town

(I wouldn't write home about you)  
(We're better off without you, without you)  
Mr. Bones

(Some people)  
Feed on other people's troubles  
(Some people)  
Beat on other people's meat  
(Some people)  
Want to bleed us dry and  
(Some people)  
Gonna down on your feet  
(People)

You said, "Boy's I'll get you more  
But you have gotta pay me by the hour"  
Anyways you are just another bore  
Who believes he's superpower

When you talk about loyalty  
(I wouldn't write home about you)  
And I hope you realize  
Since you ate my royalties  
(Were better off without you, without you)  
Without you, without you Mr. Bones

This is goodbye and as such hereinafter shall be  
referred  
Not withstanding or foregoing statements unpreferred  
Don't claim you understand  
When you've not heard a single word, a dickey bird

(Some people)  
Feed on other people's troubles  
(Some people)

Beat on other people's meat  
(Some people)  
Want to bleed us dry  
(Some people)  
Gonna down on your feet  
(Some people)
