Here I go again
I must have flowers in my brain
The same mistake I made before
But I'm a hostage to that face of yours

Lay me on your bed
I watch you smoke my cigarette
I wish you knew what's in my head
I could be more than just a friend

Too bad you're so beautiful and so
Complicated
I may be a deluded fool but still
Fascinated
Too bad you're so beautiful when I'm
King of nothing
This can only go one way

Ice queen on top of the mountain
Give me the freeze, minus twenty and counting
My lunar dreams, how do I stop them?
But it's not your problem, when you're above it all

Lay me on your bed
I want to stroke your sleepy head
I wish that I was you instead
of being just your weekday friend

Too bad you're so beautiful and so
Complicated
I may be a deluded fool but still
Fascinated
Too bad you're so beautiful when I'm
King of nothing
This can only go one way

In the wet speaks another light
In the low light I'm here to entertain
When it starts to rain
I'm a lucky man...

Ahhhhhh
Too bad, it's too bad you're so....
Oh-oh-oh-ohhhh
Beautiful, umm-uh-umm
Beautiful, it's too bad
Just too bad, it's too bad
Beautiful, ohh-ohh
It's too bad
Just too bad, it's too bad
