Wild boys, wild boys, wild boys  
Wild boys  
Wild! Boys!

The wild boys are calling on their way back from the  
fire  
In August moon's surrender to a dust cloud on the rise  
Wild boys fallen far from glory, reckless and so  
hungered  
On the razors edge you trail because there's murder  
By the roadside in a sore afraid new world

They tried to break us, looks like they'll try again

Wild boys never lose it  
Wild boys never chose this way  
Wild boys never close your eyes  
Wild boys always shine

You got sirens for a welcome, there's bloodstain for  
your pain  
And your telephone been ringing while you're dancing  
in the rain  
Wild boys wonder where is glory where is all you  
angels  
Now the figureheads have fell  
And lovers war with arrows over secrets they could tell

They tried to tame you, looks like they'll try again

Wild boys never lose it  
Wild boys never chose this way  
Wild boys never close your eyes  
Wild boys always shine

Wild boys, wild boys, wild boys  
Wild boys, wild boys, wild boys

Wild boys never lose it  
Wild boys never chose this way  
Wild boys never close your eyes  
Wild boys always

Wild boys never lose it  
Wild boys never chose this way  
Wild boys never close your eyes  
Wild boys always

Wild boys never lose it  
Wild boys never chose this way  
Wild boys never close your eyes  
Wild boys always, wild boys
