You kiss me real good now  
Like I knew that you could now  
Time to do what you should now  
Because you're getting to me

Oh, no, no, no, boy  
Got to take it real slow, boy  
This is far as we go, boy  
Until you hear what I hear

I hear those church bells ringing  
Will you marry me  
Will you carry me  
Across the threshold tenderly

I hear those church bells ringing  
Can't you hear them too  
Listen, honey  
Ringing, I love you

Let's get it together  
The sooner the better  
God, I can't wait forever  
When I need you right now

Ain't getting much stronger  
Can't resist you much longer  
To let you go would be wronger  
Than to love you right now

I hear those church bells ringing  
Will you marry me  
Will you carry me  
Across the threshold tenderly, yeah

I hear those church bells ringing  
Can't you hear them too  
Listen, honey  
Singing, I love you

Oh, honey

I hear those church bells ringing  
Will you marry me  
Will you carry me  
Across the threshold tenderly, yeah

I hear those church bells ringing  
Can't you hear them too  
Listen, honey  
Singing, I love you

I hear those church bells ringing  
Will you marry me...
