"Never Known"

Visit "[Never Known](#)" on MotoLyrics.com

I cry in my sleep

Sometimes you stay

Sometimes you stay

You never know why

Please say my name

Don't turn away

[chorus]

The pain is black

The pain is bright

The pain is black

The pain is bright

The pain is bright

Then I awake

And in the half light

Watching my movements

Through half closed eyes

You're touching me

As a priest loves pornography

We played beneath the patterns[?]

Don't turn away

[chorus]

Kissed by the years

Caresses of time

Marking the lines

The lines of expression

The patterns of place

The patterns of youth

The patterns of love

Don't turn away

Say my name

Say my name

[chorus
