Red shoes

Blue car

Never run

Too far

Winds push

Us along

We're so weak

And they're so strong

All I ever need

The mercy of your lies

All I ever need

The mercy of your lies

And the clouds that break

And the clouds that break

Red shoes

Blue car

Never run

Too far

Winds push

Us along

We're so weak

And they're so strong

All I ever need

The mercy of your lies

All I ever need

The mercy of your lies

And the clouds that break
