I'm all packed
And I'm ready to go
I can hear his motorcycle roar

Now it's time to make my mind up
Who's gonna help
My mama mind the store
Angel's waiting to take me dreaming
Should I stay or should I go

(CHORUS)

Oh, oh, angel baby
Warm and tender and crazy
I'll go wherever you take me
As long as we're together
Oh, oh, angel baby
So what if all our
Dreams don't come true
You'll always have me
And I'll have you
Forever and forever

I'll leave a note
On the fire escape
Saying I'm in love
And that I'm gone

But what am I doing
How about Gina
Who'll watch my
Little sister from now on

Angel, please now
One more minute
Should I stay or should I go

(CHORUS)

Should I stay or should I go

(CHORUS)

Forever and forever

(CHORUS) to fade
