Yeah yeah yeah yeahhh
Well it's funny how
He's your man but he's my best friend
And I just can't remember where it all began
There's one thing I know.
I've really truly fallen for you (yeaah)
And it's hard to hide
Cause when I see you I see pain inside
The way he treats you girl it just ain't right
And I wish that I
Could just hold you and make it better.
Cause I...

I know that it's wrong girl what I've been feeling for
you,
I can't let it go,
It's killing me that I'm not with you.
I'm dying inside
Every time I see you with him...
I can love you better

I just wanna be the one you run to
Let me wipe the tears from your eyes
It's crazy how he loves you but he hurts you
It's really killing me to see you cry
I just wanna be the one you run to
Let me wipe the tears from your eyes
It's crazy how he loves you but he hurts you
It's really killing me to see you cry

I know that it's wrong girl what I've been feeling for you
I can't let it go,
It's killing me that I'm not with you
I'm dying inside
Every time I see you with him...
I can love you... I can love you better baby

I just wanna be the one you run to
Let me wipe the tears from your eyes
It's crazy how he loves you but he hurts you
It's really killing me to see you cry
I just wanna be the one you run to

Let me wipe the tears from your eyes
It's crazy how he loves you but he hurts you
Girl it's really killing me to see you cry...
