I know I've been a little M.I.A.  
Now if for you, I'll let myself get in the way  
From this day, I promise not to make love wait  
I'm lookin at, lookin at stealing you away  
I know you thinkin don't make sense to you  
No, not at all but soon it will  
Trust me and just let yourself go  
Get lost with me, we can fall in love again  
No, I need you, baby

I can't wait to satisfy you, girl  
I know you gonna like it, babe  
Don't fight it, you like it (we can go back down) ooh  
Go from monday to sunday  
Get lost with it, I can't find us  
We can make up like some bandage  
Way up on our own planet  
Cause in my getaway car  
Let's go far, far, far  
We can getaway  
In my getaway car  
In my getaway car  
Let's go far, far, far  
We can getaway (getaway)  
In my getaway car

C'mon let's go, you don't need it through the day  
I already got your back  
All it's wisdom girl is you  
I got a few surprises lined up on the way  
Let's buckle up, we're taking off  
Baby, I can't wait  
I'm missing you and your smile, love to hear you laugh  
out loud  
Where us again  
All the things I can't do without  
Imagine in my life without you in it, it ain't life at all  
I need you, baby

I can't wait to satisfy you, girl  
I know you gonna like it, babe  
Don't fight it, you like it (we can go back down)

Go from monday to sunday  
Get lost with it, I can't find us  
We can make up like some bandage  
Way up on our own planet  
Cause in my getaway car  
Let's go far, far, far  
We can getaway (we can getaway)  
In my getaway car  
In my getaway car  
Let's go far, far, far  
We can getaway (we can getaway)  
In my getaway car  
Let's go far, far, far  
We can getaway (we can getaway)  
In my getaway car  
In my getaway car  
Let's go far, far, far  
We can getaway (we can getaway)  
In my getaway car  
Let's get away, let's get away [x4]
