Way down low with the pretty ones
Floating on beautiful pills
So lifelike it's becoming real

Everything is alright
Life is but a dream
Everything is alright
It's so lifelike

Deep inside your secret place
Cover me like a liquid angel
This hunger I could never feed
You are my uncertain danger

Everything is alright
Life is but a dream
Everything is alright
It's so lifelike

Everything is alright
Life is but a dream
Everything is alright
It's so lifelike

Everything is alright
Life is but a dream
Everything is alright
It's so lifelike
