"Step Into The Light"

In this place I'm a soul so hollow
In this mud with the pigs I wallow

Friday when sunday's gone
Tomorrow I'm leaving home
I don't need to beg or borrow
Got all my friends out on loan
Got an ocean of laughter for a pool of sorrow
(I just can't lose now)

Easily the way you deceive me
Strung out so you stay but you leave me

Chorus

I'll wait to see which way you're gonna go
Sell me cheaply at the river's edge
Darkness grows around my heart and I let it go
I'll wait to see how this will end
Then I'll step into the light to find

Chorus

And in light?
To find I'm not alone
And I'll step into the light
To find I'm not alone
And I'll step into the light yeah
Into the light
Yeah
