I broke your heart
And I made you blue
Instead of hurting back
You said "I love you"
That very day you won my heart
And my love for you shall never part

You have such an understanding way
And I appreciate you need what I say
'Cause a love like yours don't come knock, knock,
knock, knocking
Knock, knocking everyday

Although I treated you bad from the start
Without question you gave me your heart
No, a love like yours don't come knock, knock, knock,
knocking
Knock, knocking everyday

It's the little things you do
Oh, that mean so much
So very, very much
(Consideration), I never knew
That is, until I met you
Believe me

You made my life complete
And I know our love with all of my mind
You can believe gonna hold on tight
'Cause a love like yours don't come knock, knock,
knock, knocking
Knock, knocking everyday

No, a love like yours don't come knock, knock, knock,
knocking
Knock, knocking everyday

It's the little things you do
That mean so much

So very very much
(Consideration), No I never knew
That is, until I met you
Believe me

You made my life complete
And I know our love with all of my mind
You can believe gonna hold on tight
'Cause a love like yours don't come knock, knock,
knock, knocking
Knock, knocking everyday
I said a love like yours, it don't come knocking
Knock, knocking everyday
I said a love like yours, it don't come, it don't come
knocking
Knock, knocking everyday
'Cause a love like yours, it don't come knocking
