She reaches out to touch me  
Shes smiles when i get lost in her brown eyes  
Just knowing that she loves me  
Makes everything that's wrong in my world alright

And theeeeeeeeeeeeeeeeeen

-----  
Chorus

I jump out of bed, and i jump in the shower  
Get dressed in a hurry, just to wait in rush hour  
Drink cold coffee from a styrofoam cup  
Sittin at my desk workin just as the sun comes up  
The phones don't stop and my head keeps spinnin  
Gotta keep puttin up with the crap just to make a livin  
Its yes sir no sir haven't got the answer call me in the  
Mornin it's past five again  
And theeeeeeeeeen

-----  
She reaches out to hold me  
Its peace i find when im in her lovin heart  
Just knowin that she's always there gives me the  
strength i need  
To keep goin on  
And theeeeeeeeeeeeeeeeeen

-----  
Chorus

Its day after day of the same old thing  
Cant help feeling like a puppet on a string  
To keep me dancin to the same old song  
Before i know it my vacations come and gone  
Im just sick and tired of the constant grind  
Hangin by a thread goin out of my mind  
Doctors, taxes, lawyers, faxes it a vicious circle goin  
Round and round again  
And theeeeeeeeeeeeeeeeeen

-----  
Just knowin that she loves me  
Makes everything that's wrong in my world alright  
And theeeeeeeeeeeeeeeeeen  
And then
