(Roussel / Northfield / Robichaud / Plamondon)

I'm goin' down for the first time  
I can't see, it's a state of my mind  
Believin' you  
Is gonna be the end of me  
You don't seem to realise  
All the signs, can't you recognise?  
I need you  
But are you needin' me?

Donnez-moi  
Oh, give it to me  
Donnez-moi  
Ah, you know I want it  
Donnez-moi  
Come on and give it to me  
Donnez-moi, donnez-moi  
Donnez, donnez, donnez...

It's been a while since you came inside  
Held me close and talked for a while  
Baby, don't let me drift away  
I'm going down for the last time  
Won't you please throw me a line?  
I need you  
But are you needin' me?

Donnez-moi  
Oh, give it to me  
Donnez-moi  
I feel my passion growin'  
Donnez-moi  
Ah, I'm uncontrollable  
Donnez-moi, donnez-moi  
Come on and do it to me  
Donnez-moi  
Ah, yes, I really want it  
Donnez-moi  
A taste of heaven  
Donnez-moi

I've got to catch my breath  
Donnez-moi, donnez-moi  
Tu penses jamais

Oh, oh no, without you  
Signs of discontent  
Misgivings, delusions  
No reason to believe  
Oh my lover, I'm slidin'  
Beyond the reach of love  
Donnez, donnez, donnez...

I'm going down for the last time  
Won't you please throw me a line?  
Oh, baby, don't let me drift away

Donnez-moi  
Oh, give it to me  
Donnez-moi, donnez-moi  
Bring that power to me  
Donnez-moi  
Come on, I really feel it  
Donnez-moi, donnez-moi  
Je viens, je viens, je viens  
Donnez-moi  
I really want it  
Donnez-moi  
I want to feel your heat  
Donnez-moi  
Baise-moi  
Donnez-moi, donnez-moi  
Oh, give it to me  
Donnez-moi  
Oh, I want it  
Donnez-moi, donnez-moi  
I'm full of wantin' it  
Do it, do it, do it, do it, do it
