Usin' the phone booth/makin' a few calls  
Doodlin' weird things/usin' the booth walls (yeah!)  
Got me a big date/waitin' for my chap  
A-puttin' his fine on/so he can look dap  
I enjoy procrastinatin' æŃause læŃ! busy while læŃ!  
waitin'  
Doodlin' away/yeah!

Sittin' and dinin' dinner beginin'  
Started refinin' usin' the linen  
Talkin' to my man/doodlin' my bit  
Waiter got salty/told me to please quit  
Told the waiter, æŃonæŃ° be dizzy/æŃause you see  
læŃ! very busy  
Doodlin' away? oh yeah!

Those weird designs  
They only show whatæŃ goin' on in weirdy minds  
æŃause when you doodle then your noodleæŃ flyin'  
high  
Everything rushes by might just be a thought  
That you caught while coppin' a wink  
Doodlin' takes you beyond what you think  
And then you draw what you think, yeah!

Later the waiter/had me arrested  
Took me to Bellevue/where I was tested  
Had me a doctor/bought him a noodle  
Boy he was handsome/taught him to doodle  
Showed him hidden thoughts that linger/find an outlet  
through your  
Finger  
Doodle away!/oh yeah yeah!

Doctor was real nice/told me to be cool  
Looked at the waiter/called him a real fool (yes he did)  
Looked at my baby/told him to feel free  
Got him to doodlin' so he could bug me  
When he put his arms around me/quite to his surprise

he found me  
Doodlin?away/yeah

Oh letæŠ- doodle baby yeah  
A-doodle to the left now  
Doodle a little to the right yeah  
Alright, doodle to the right, left, right, left  
Doodle away! Doodlin?takes you beyond what you  
think...
