(Ned Albright / Mike Soles / Steve Soles)

I would be your water when your thirsty mouth was dry
I would be your sunshine when clouds are in the sky
I would stand that close beside you
And be your only friend
And I have promised love forever
There will be no end

Ooh, hoo, I'll be faithful
Ooh, hoo, I'll be true, too
Ooh, hoo, I'll be faithful, yes I will now
Ooh, hoo, oh my, true to you

Now I would be your music if you would like a song
I would sleep beside you when the winter's cold and long
I would be the pole to guide you, never would I bend
And I have promised love forever
There will be no end

Ooh, hoo, I'll be faithful, oh, yeah
Ooh, hoo, I'll be true too, mmm
Ooh, hoo, I'll be faithful, oh, yeah
Ooh, hoo, oh my, true to you, ooh, hoo

I have promised love forever
There will be no end

Ooh, hoo, I'll be faithful, oh, yeah
Ooh, hoo, I'll be true, too
Ooh, hoo, I'll be faithful, yes I will
Ooh, hoo, oh my, true to you
