(Kenneth Gamble / Roland Chambers)

(Please)
(Let me get in your way)
Call me sad and blue
All I need is your good lovin'
Just to see me through
Call me lonely, too
You should never, ever make me
Need you like I do
Can't you see I'm not naggin', baby?
This heart of mine is just saggin', baby

Please
Let me get in your way
Just have somethin' to say to me
Please
Let me get in your way
Just have somethin' you can say to me

I'm not asking you
To move a mountain, swim a river
Or walk on the moon
Call me beggin', too
For a little of the love I need
So much from you
Can't you see I'm not naggin', baby?
This heart of mine is just saggin', baby

Please
Let me get in your way
Just have somethin' you can say to me
Oh, please
Let me get in your way
Just have somethin' you can say to me, ooh

Oh, please
Let me get in your way
Just have something you can say to me
Baby, please
Let me get in your way

Just have somethin' you can say to me

Baby, please, please, please

Let me get in your way

Just have something you can say, baby
