(Karla Bonoff)

Here's a song that I wish I'd sung before Linda Ronstadt Sang it, this is a song that, perhaps you've never heard Her sing it actually, it's by a very young and talented Songwriter called Karla Bonoff. I don't know why I put it In the act except I think it's really pretty. I hope you Do too... Thank you.

Save me  
Free me from my heart this time  
The train's gone down the track  
And I, I've stayed behind  
Nothing can free me  
From this ball and chain  
I made up my mind  
I would leave today  
But you're keeping me going  
I know it's insane  
'Cause I love you and lose again

When the heart calls  
The mind obeys  
Oh, it knows better than me  
If I hold on  
Just one more day  
Then maybe, babe, you'd hear me true

'Cause nothing can free me  
From this ball and chain  
I made up my mind  
I would leave today  
But you're keeping me going  
I know it's insane  
Because I love you and lose again

Ooh, ooh

Nothing can free me  
From this ball and chain

I made up my mind  
I would leave today  
But you're keeping me going  
I know it's insane  
'Cause I love you and lose again  
Because I love you and lose again
