(middlebrooke / shapiro)

In the cool of the evening  
When everything is getting kind of groovy  
You call me up and ask me  
Would I like to go with you and see a movie?  
First I say no, Ive got some plans for tonight  
And then I stop and say all right  
Love is kind of crazy with a spooky little boy like you

You always keep me guessing  
I never seem to know what you are thinking  
And if a girl looks at you  
Its for sure your little eye will be a-winking  
I get confused, I never know where I stand  
And then you smile and hold my hand  
Love is kind of crazy with a spooky little boy like you  
Spooky

If you decide some day to stop this little game that you  
are a-playing  
Im gonna tell you all the things my hearts been a-dying  
to be saying  
Just like a ghost youve been a-haunting my dreams  
But now I know you're not what you seem  
Love is kind of crazy with a spooky little boy like you  
Spooky

Ahh, ahh, spooky, mmm, spooky, ahh, ahh, ahh,  
spooky, ooh, spooky  
Ahh, aah, aah, spooky
