(Bacharach / David / Cassia)

Italian language song set to the music of "Wishin' And Hopin'"

Stupido, stupido perch?fai cos?Tutte le volte che io
dico no
Non voglio venire a bailar
Mi piace un altro che non fa
Come lo stupido, stupido, stupido cos?come te

Stupid, stupid why do you behave like that
Every time I say no?
I don't want to come and dance
I like another boy who doesn't act
Stupid, stupid, stupid like you

Bello no non ?ma l'amor
Sai perch?mi sa capir
E sa parlar d'amore
Come tu non sei, no non saprai mai
Perch?tu non sei che stupido, stupido sempre di pi?
Quello che dici non voglio ascoltar
Lui solo pu?farmi sognar
Tra le sue braccia sento che
Lui non ?stupido stupido, stupido perch?
Perch?mi fa tremar, tremar d'æŠmor

He's not goodlooking but I love him
Do you know why? He understands me
And he knows how to talk about love
But you don't, no, you'll never know
Because you're just stupid, more and more stupid
I don't want to listen to what you say
Only he can make me dream
In his arms I feel that
He's not stupid, stupid, stupid because
Because he makes me tremble, tremble with love

Bello no non ?ma l'amor
Sai perch?mi sa capir

E sa parlar d'amore
Come tu non sei, no non saprai mai
Perch?tu non sei che stupido, stupido sempre di pi?
Quello che dici non voglio ascoltar
Lui solo pu?farmi sognar
Tra le sue braccia sento che
Lui non ?stupido, stupido, stupido perch?
Perch?mi fa tremar, tremar dæŠ<mor
Tremar dæŠ<mor
Tremar dæŠ<mor

He's not goodlooking but I love him
Do you know why? He understands me
And he knows how to talk about love
But you don't, no, you'll never know
Because you're just stupid, more and more stupid
I don't want to listen to what you say
Only he can make me dream
In his arms I feel that
He's not stupid, stupid, stupid because
Because he makes me tremble, tremble with love
Tremble with love
Tremble with love
