Ain't no short way up the mountain
Ain't no easy way to cross that river
When it's draggin' you under
Ain't no sure thing you can count on

Break down these walls
I'll beg, I'll crawl
I'd risk it all to get to you

I fall in love, the hard way
And I fall in love, the hard way
Straight to your heart, the hard way

I got nothing left to lose
But I got everything to prove
To prove my love for you
I know just what I've gotta do

And I'll walk the wire
Above the fire
My one desires to get to you

I fall in love the, hard way
And I fall in love, the hard way
Straight to your heart

Ain't nothing worth havin'
If it comes too easy
'Cause if it comes too easy
You might lose that love someday, the hard way

Break down these walls
I'll beg, I'll crawl
I'd risk it all to get to you

I fall in love the hard way
Well I fall in love
(I fall in love)
I fall in, I fall in, I fall in
I fall in, I fall in, I fall in
I fall in the hard way

(I fall in love)
(I fall in love)
