(J. Styne / S. Cahn)

Time after time
I tell myself I'm so lucky
To be loving you
I'm so lucky to be
The one you run to see
In the evening
When the day is through

I only know what I know
The passing years will show
You kept my love so young
So new
And time after time
You'll hear me say that I'm
So lucky to be loving you

I only know what I know
The passing years will show
You kept my love so young
So new
And time after time
You'll hear me say that I'm
So lucky to be loving you
