(Sands / Germinaro / Wiesman)

Take your shoes off
Let your hair down
Time for you to get away
Don't you worry 'bout tomorrow
Or you're gonna miss today

When the madness gets you crazy
'Til you're lookin' for a place to hide
And you're thinking
That you'll never
Get yourself some peace of mind

But, you can do it, you can do it
You can do it to your heart's delight
Oh, you can do it with your imagination
And you can do it in real life

Feel the magic of the moment
Let your spirit carry you away
Get in touch with, oh
All your feelings
You'd better find out what they have to say

Oh, you can do it, you can do it
You can do it to your heart's delight
Oh, you can do it with your imagination
And you can do it in real life

Feeling free as an eagle
Flying homeward
High in the sky
You'll touch the fire of love inside you
That you're lookin' to find

But, you can do it, you can do it
You can do it to your heart's delight
Oh, you can do it with your imagination
You can do it in real life

You can do it, you can do it
You can do it to your heart's delight
You can do it with your imagination
And you can do, can do, do it, do it

You can do it, you can do it
You can do it to your heart's delight
You can do it with your imagination
And you can do it, can do it, do it, do it, yeah, yeah
